

# Bowhead™

Bowhead Banners™ are printed using Photo Flag™ technology, which causes the graphic to bleed through the fabric, allowing it to be seen from both sides.\* Plus, their unique design and rotating aluminum pole allows them to withstand uncontrollable weather conditions, while still effectively delivering your message.

## Eye-Catching

Bowhead Banners™ have a unique shape, perfect for drawing attention. This makes them ideal for storefronts, exhibits, and special events.

## Quick & Easy to Set-up

Simply slide the pole into the loop on the graphic then clip the graphic onto the pole.

## Indoor or Outdoor

With optional ground stakes and hard surface stands, Bowhead Banners™ can be used both indoors and outdoors.

## 5 Year Limited Warranty

\* Amount of bleed through will vary depending on color(s)
